ELIGIBILITY CRITERIA FOR ACCESS TO STUDENT LOANS BY THE ECONOMICALLY DISADVANTAGED

Background: In 1994, the Government of St. Vincent and the Grenadines introduced its National Student Loan Scheme. Funds for the scheme were originally provided by the National Insurance Scheme and on loan to students by participating financial institutions. The requirements for accessing loans through the financial institutions prohibited the poorest segment of the population from accessing loans.

The Government has secured a loan from the Caribbean Development Bank to continue funding its Student Loan Program. A portion of this loan will be used specifically to assist the poorest segment of the population. This program came to an end in 2010.

In 2010, the Government of St Vincent and the Grenadines established the National Student Loan Company that serves as the sole provider of the Economically Disadvantaged Student Loan Program.

The principal beneficiaries under this programme are those persons in the population who have the capacity, but insufficient financial and other resources to qualify for assistance under the standard Student Loan Scheme. Priority among eligible applicants is therefore accorded to low-income households and others with special problems of access to needed financial resources.

Students accessing loans under this programme will be required to sign a Bond for the amount of the loan.

Eligibility: Under the National Student Loan Company guidelines, an applicant would be eligible to benefit under the programme if he/she exhibits most of the following characteristics: -

- Be of good academic standing at O'Levels
- A member of a household with an annual income below \$40,000.00
- Possesses insufficient unencumbered assets relative to the amount intent to borrow.
- Demonstrate means to pay interest for the duration of program of study
- Households with few earners and a high dependency ratio
- A member of a large household (two (2) adults and (4) four children below the age of eighteen (18) years).
- A member of a single-parent headed household
- Acceptance letter from an accredited institution
- Be a national of St Vincent and the Grenadines, residing in the country for five (5) years consistently prior to applying
- Indicate cost estimate of program of study.
